

General Information 2017-2018 Season

Welcome to Lucan Minor Hockey Registration!

Everyone is required to use the online registration system to register for LMH. We will be using 2 separate registration systems this season. Details on how to proceed are detailed below and can also be found on the LMH website under Registration. Please read carefully to ensure your child is registered correctly.

How to Register:

1. Tyke Development (previously Mite) Hockey (boys and girls born in 2012 and 2013)
2. Tyke Hockey (boys and girls born in 2011)
3. Girls Hockey (girls born between 2000 and 2010 – OWHA)
4. Boys Hockey (boys born between 2000 and 2010 – OMHA Rep, AE and Local League teams. Girls can register for the OMHA Boys teams if they do not wish to play on a Girls team (OWHA))

You must register for the Girls OWHA Hockey program separately from Tyke Development/Tyke or Boys OMHA Hockey programs. Tyke Development, Tyke or Boys OMHA Hockey registrants will need to login to the Hockey Canada Registry (HCR) system. Girls OWHA Hockey registrants will need to login to the QuickEnrollment (QE) system.

****New**** Are you registering family members for BOTH OWHA (Girls only) & OMHA (Boys/Girls Hockey)? Both of these systems have separate logins and passwords and are NOT integrated, so if you wish to register different players from the same family for BOTH OWHA and OMHA hockey, login to the Quickenrollment system and register the OWHA Hockey player(s) **FIRST**. If you have more than 3 children, (boys and girls) please use the discount on the HCR program, if you have 3 or more children (girls only), the discount will apply automatically on the Quickenrollment site.

- Socks will not be a part of the online registration process this year. Socks will be available for order in July or August via an online program. Information will be posted on the LMH website and an email will be sent to all LMH families when the order site is ready
- Gate Passes will not be a part of the online registration process this year. You will be able to purchase a gate pass via an online program closer to the start of the new season
- Depending on registration numbers, the Girls and LM teams may be grouped together at the Executive's discretion

- All Payments pertaining to Registration will be completed online – using a credit card – one time or a multi payment option are available

Late Fees:

- If you are unsure whether your child will be playing again next season, we recommend registering to avoid a late fee charge. The late fee is \$200
- Late fees will apply after March 31, 2017 for any returning player

Birth Certificates:

- First year players (Tyke Development and Tyke) and new registrants to LMH must include a copy of their birth certificate and emergency contact information with their registration – please scan a copy to onlineregistration@lucanminiorhockey.net or mail to Lucan Athletic Association at P.O.Box 446, Lucan, Ontario N0M 2J0

Girls Gate Fees:

Gate fees will not be charged for either Lower Lakes Female Hockey League or Western Ontario Girls Hockey League games. To offset the costs incurred for referee's and score keepers at our home games, a score keeper/ref fee has been added to girl's registration cost. Listed below are some important points:

- The score keeper/ref fee has been included in the registration amount on the registration form
- If you have more than 1 girl registered, each girl will pay the score keeper / ref fee
- Since this is a policy in both Lower Lakes and WOGHL, there will be no gate fee for any girls' home or away games for the 2017-2018 season
- A LMH gate pass will not be issued to families that register a female player

Tryouts:

Again this year, you can pay for tryouts in advance, with your registration (on the HCR program only)

- This will reduce some of the confusion on the first night of tryouts
- You can still decide to try out and pay at the first night of tryouts
- The cost for a tryout is \$50, you are guaranteed 2 skates
- Players who have not paid will not be allowed on the ice until they have paid
- Please check the schedule on the website in late August / early September for tryout times
- **Tryout fees apply to the Novice – Midget levels (depending on the number of girls registered, there may not be tryouts for the girls teams)**
- If you are trying out for the Rep or AE teams, you must attend the tryouts for the Rep team, if you are let go from the rep team, you move on the AE tryouts. You cannot show up for the AE tryouts without first attending the Rep tryouts
- If a female player is registered with OWHA and wishes to be considered as an AP for an OMHA boys team, they must be sure to notify the coach and/or Executive in writing so we can ensure the evaluators are aware of her intentions

Permission to Skate:

Players must be registered with Lucan Minor Hockey prior to requesting a Permission to Skate form if they are trying out for a higher level of hockey (ie Chiefs, Devilettes, Bluewater). This will assist us in determining the potential number of players at each level. A Permission to Skate form will not be granted without a completed registration. If your child is successful, payments will not be processed. Permission to Skate Forms can only be issued by a few LMH Executive Members, please contact the OMHA (omha@lucanminorhockey.net) or OWHA (owha@lucanminorhockey.net) rep first. **Girls who are looking to try out for a team in another centre will only be released from LMH if they are accepting a position on a higher level team, PTS forms will not be issued to move to another centre to play the same level of hockey as LMH offers.**

Respect in Sport:

The Respect in Sport Parent Program is a Mandatory Course that at least one parent per household must complete before their child can be rostered. The cost is \$12 (in 2014). Once completed a copy of the completed certificate must be sent to onlineregistration@lucanminorhockey.net or included in the envelope with your payments.

If you completed the Course last year, you do not have to complete it again this year.

Baseline Testing:

All players new and existing to LMH must complete the Baseline Testing Session. Please watch the website for testing information and sessions.

Cash Calendars:

This is a fundraising program operated by Lucan Minor Hockey. Each family is required to purchase cash calendars to sell to friends, family or co-workers. Daily draws will be made from November 1st to February 28th for cash prizes. Every day there is a winner with prizes ranging from \$50 to \$1000! Winners will receive a cheque in the mail from LMH.
