Late Registration

Anyone wishing to register after the registration close date will do so with the approval of the Vice President in charge of registration and President who will consult with the coach of the team the player wishes to join. If the player is not joining the lowest team in that classification eg. Local league and wishes to join a Rep team after team selections it must be approved by the executive. The player will pay the fee as set out below. Any deviation from this requires executive approval

Fee

Anyone joining before Nov 14 but after spring registration cutoff and was registered the previous year with the association will pay full registration, full fundraising, and late fee.

Anyone joining Nov 15 but before Dec 14 will pay a prorated registration fee, and if the family does not have anyone else registered in the association prorated fundraising fee. The prorate will be based on everything divided by seven months(Sept-March) and divided by the number of months left in the season ;in the case above four months Dec-March. Registration Dec 15-Jan 14 would be the same as above based on three months Jan-March etc.

The cutoff would be if the team has a full roster, executive capped the team numbers or the final roster submission date has passed.

Note: If any of the above is triggering the family rate then that is the amount that would be prorated as well as any trigger in extra fundraising. All must submit a bond cheque per child and volunteer to work the number of hours.

All applications for registration must furnish proof of age (birth certificate, baptismal certificate, Doctor certificate or some other certifies birth affidavit).

If a player decides to leave before the end of the month his registration, it will be returned on a prorated basis as in registration above. For example leaving Sept 30 the fees will be divided by seven (Sept-March) and he will receive six months for Oct to March. Before Oct 30 five months etc.

Any late fee they may have paid or tryout fee is non-refundable.

After Feb 14th there will be no refunds given.

* \$200 Fundraising Fee (cash calendars) cannot be refunded if the cancellation is after November 1st as all tickets will be in the draw already and cannot be removed
