## Respect In Sport: Parent Program

Your Executive in its commitment to ensuring a safe and positive environment for our children are proud to support and partner with the Hockey Canada, OMHA and Respect in Sport in implementing and providing access to this Online Training Program.

### Respect in Sport Parent Program

Parents play a crucial role in the development of your athletes. Respect in Sport is a one hour online certification program reinforcing a parents role in a child or youth's activities, encouraging positive sport behaviours, and providing insight into the various roles other individuals (such as coaches and officials) play.

### Frequently Asked Questions: Respect in Sport – Parent Program

1. Is an online course costing \$12+HST per family and takes approximately 1 hour to complete.
2. At least 1 parent/guardian from each LMH family (boys and girls players) must complete the course. Both parents do not have to take the course.
3. Parents who have previously taken the Respect in Sport/Speak Out/Preventative Services courses to be a team official **will still be required to take the new RIS-Parent Version course** as it contains different content that is specific to parents. Your previous qualifications will, however, continue to allow you to be a team official for next season.
4. **The deadline for completing the course is August 31, 2014**
5. Please send a copy of your Certificate of Completion to [secretary@lucanminorhockey.net](mailto:secretary@lucanminorhockey.net)
6. **Your child will not be able to tryout or be rostered to a team for the 2014-15 season if you do not complete the course.**

## Are You Interested in Coaching Next Season?

Coaching applications for Rep teams are being accepted until June 1st. Coaching applications can be found on the website under the "Other Information" "Coaching Forms".

A reminder that many coach and trainer's courses/refresher courses are offered during late summer in order to be ready for the beginning of hockey season.
