- Tampering: Any member of an association (bench, executive) that tries to entice a player to sign with the association can / will be suspended and potential fines included if found guilty.
* it really has no application in LMH as this year we move to LL program.
- Player Registration: Hockey Canada requires all post tryout registration to be completed through HCR and no 3rd party registration companies. Not applicable to us as we use HCR
- Safe Sport Complaint: Just reminder that all complaints go through the HCR Independent Third Party

Since it was implemented in 2023, complaints were filled through OMHA and home centre's and ended up with multiple investigations that didn't help move the complaint forward to help solve the issue
