- Discussion on U18 Girl Cut wishing to be reconsidered and moved to the U18G Rep team. With the team being at 17 skaters and keeping the integrity of the evaluation process Motion made for her to remain on the U18 G Tier2 team. -  
-All in favour
- U13 Boys - number of teams  
Discussion as a number of boys at this age group still out on tryout with other centers  
With longer games and a more physical style of play would be better to have more players  
Motion made to go with 2 teams with balanced numbers  
All in Favour

- U15 Boys - number of teams

Discussion on numbers, agree that registration at this age group is full and waitlist only. If players cut from rep have an interest perhaps could pull these kids to U18 LL to help with numbers

Motion made to go with 2 teams

All in favour

U18 Boys -

a number of boys that were out on tryout with other centers have been cut.

We would now have the numbers to offer 2 teams - 1 rep and 1 local

- with support of other local center

Meeting with the U18 boys and parents to state their intentions- this afternoon

Coach is being worked on

Motion made to offer U18B Rep in Lucan

All in favour
