2. President – Chad

Ice has been taken out due to compressor issues. Town has advised that best case the ice will be ready March 1st. Will not be ready for the end of lockdown.

- Much discussion on what the remainder of the season would look like if we return in Red. If we come back in red and are able to get back on ice March 1st teams would potentially have 2-3 weeks of 1 ice times per week. If we come back from lockdown in yellow or orange teams would have 2 ice times a week for 2-3 weeks.

- If we come back in orange/yellow could look at extending the season to end of March due to delay in ice
- Barb and Chuck have put together potential refund options based on ice time used
- Will meet again once there is an announcement from Middlesex London Health Unit on what colour we are coming back to.
