- Will look into ice options for goalie clinic

Fundraising - Diane

- Masks are in - set up volunteers to sell at the door
- Masks will be distributed to Head coaches
- Epicure fundraiser - by setting up Lucan Minor Hockey as the consultant - brings in more \$ plus product that can be used in raffle

Shamrock - Scott

- Scott reviewed an email that was sent by Shamrock Hockey League as OMHA Development Committee is looking for feedback on getting rid of body contact in all divisions below A programming.
 - At the point when you reach Bantam age you can choose not to play with body contact and play HL which gives the player the option.
 - Seems unfair to limit our players based on size/registration
 - This would limit some of our players options should they want to play for the Irish JR program
 - Like to see it body contact introduced at an earlier stage/age allows to understand contact and positioning
- Motion made to vote **against** proposed changes to Body Contact
